

Alpha Traders Workbook

Lesson 5 - Chart Pattern RSI

Module 5 - Chart Patterns + RSI • 56 minutes • Quiz: 1 questions

Lesson Summary

This lesson teaches practical confluence between structure, pattern behavior, and RSI momentum context.

Key Takeaways

- Pattern quality depends on context
- RSI adds confidence when aligned with structure
- Execution should remain risk-first

Learning Objectives

- Identify valid chart pattern context
- Use RSI for confirmation not prediction
- Avoid common pattern/indicator traps
